Coordinating Group Meeting Minutes 3/7/18

1. The team welcomed Jessica Anderson to the team. The team explained the purpose and goals of WebTide and the coordinating group.

2. Confirmed future meeting dates/topics/lunches.
    a. March – Text Help Software Demo with The College of Engineering paying for lunch
    b. April – John Hunt to show off his new development. John will reach out to Ruth Pionke to see if A&S will provide lunch.
    c. May – Accessibility
    d. June – Perhaps the UA Innovation Team, Andrew Richardson's hotel simulation project. Meagan will reach out to Andrew.
    e. July – plan another social lunch.
    f. August – OIT Security

3. John Hunt will send out a Qualtrics form to the WebTide community with a list of potential group projects.
